

They Are On The Ball—Not Behind it

THE NUMBER EIGHT HAS A SPECIAL MEANING FOR Briscoe Ivy, left, and Pat Hamrick, the heads pictured above. It is the eighth month of the year, the eighth anniversary of their employment in Y-12 and they have carefully avoided the eight-ball of absenteeism. Neither has been absent or late at work during their long span of employment.

Y-12ers Hamrick And Ivy Near Eighth Year Of Y-12 Service Without Losing Day's Work

There are many Y-12ers with excellent work attendance records—attained by conscientiously staying on the job and traveling through rain, snow and ice to reach Y-12 from near and far. More power to them.

However, as far as is known to memory and records, the top attendance mark in the plant at time of publication of this edition of The Bulletin is the sole ownership of Paschal (Pat) Hamrick, of the Employment Office of Personnel; and Briscoe Ivy, of the same group. Both will complete eight years of employment during the month of August and neither has lost a day of work through absenteeism or has been late since coming to work in Y-12 back in 1943.

Thursday, August 2, is Hamrick's anniversary date, while Ivy came to work just a little bit later—on August 26.

Records Cited Annually

During the past several years the records of Hamrick and Ivy have been cited in The Bulletin annually. There have been various types of "gag" pictures and once—two years ago—they even had an "anniversary" cake with six candles baked for them at the Y-12 Cafeteria by Pastry Cook Jamie Goodman that was relished by the pair—and many well-wishing friends who were invited to the "party."

This year a former Y-12er, Glenn Williams, now of Oak Ridge National Laboratory, kindly consented to favor The Bulletin with one of his excellent drawings to mark the occasion. Published above, it is most appropriate as the theme brings in the eight—for

month and anniversary and the eight-ball of absenteeism.

Hamrick, as an interviewer; and Ivy, driving to and from Knoxville and Oak Ridge and all around Y-12 on Company errands; through their work contacts probably have been associated with more fellow employees over the period of eight years of their employment than any other Y-12ers. Over Hamrick's desk has passed employment and termination papers of thousands of

Return Of Cards Will Aid Quick Pass Issuance

Y-12ers Wanting Family Auto Permits Urged To Speed Replies

To expedite issuance of the new photographic resident passes for admittance of members of employees' families to the Atomic Energy Commission controlled area in Oak Ridge, Y-12ers are asked to speed return of the application cards delivered with pay checks last week.

What Information Is Desired

The cards are to be returned to the Pass and Clearance Office, address of which is printed on one side of the card with the name of the employee, department number and badge number to be filled in. On the other side of the card is space for name, relationship and address of the person for whom the pass is to be issued. The signature of the employee is required on this side of the card.

Early return of the cards to the Pass and Clearance Office, North Portal, through the plant mail will enable that office to prepare notices to be mailed to persons for whom the passes are to be issued. The notices will give the date the pass requestors are to report to have pictures made for the new passes.

The present type of resident passes will be honored by the AEC Patrol at the controlled area gates through August 31. After that date the present automobile decal stickers for admission to the controlled area will not be required and admission will be by the new resident photographic passes and the employees' regular identification badges.

'Origin Of The Earth' Talk Set Thursday By Dr. Urey

An address on "The Origin Of The Earth" will be delivered by Dr. Harold Urey, Nobel Prize winner and noted atomic scientist, at a meeting of the Oak Ridge Forum tomorrow night, Thursday, August 2. The meeting will be held in the auditorium of the new junior high school building, the old high school.

Y-12er Named Publicity Head For Red Cross

Lloyd N. Williams, supervisor of the Y-12 Training Department, has been named publicity chairman for the Oak Ridge Chapter of the American Red Cross, it has been announced by George W. Flack, chairman of the chapter and also a Y-12er. Mr. Williams has already taken over the work for the chapter.

Williams first came to work in Y-12 in January, 1944. He left in 1947 and was with the Eastman Kodak Co. in Rochester, N. Y., for one year before returning to the Oak Ridge National Laboratory as head of its Training and Procedures Department. He returned to Y-12 in February of this year. He is a native of Hayden, Ala.

He has had previous experience in publicity work of the kind he will perform for the Red Cross as he did similar work for the Community Chest in past years.

At the same time it was announced that Carl C. Martin, manager of the division of public works of Roane-Anderson Co., has been appointed fund campaign chairman for the Red Cross chapter in its annual campaign next spring. Martin recently was named assistant general manager of the new Management Services Corporation, which will take over management services of the city next year. He is a member of the Rotary Club and also of the Oak Ridge Hospital board.

Conant Warns Against Underestimating Reds

The United Press recently quoted Dr. James R. Conant, president of Harvard University, as warning against underestimating the immediate technological power of Russia. He said the Russians were still "feeding on results of free inquiry either given her or stolen by spies."

However, he added that "Soviet science cannot succeed in the long run because the system denies the freedom of inquiry," without which no scientific progress could be made.

Three First Aid Teams Training For 1951 Meet

Y-12 Is Expected To Enter 8 To 10 Teams In Carbide Event

Three teams now are in training and are expected to be joined by others in the near future to bring the total number of Y-12 entries in the fifth annual Carbide First Aid Contest September 15 to eight or 10. The annual event will be held at Blankenship Field, the high school football grounds, at 7:30 p. m. and will draw teams from all of the three Carbide units in Oak Ridge.

Y-12 first aid teams now in training for the contest are representing the Isotope Research and Production Division, the Electrical Maintenance Department and the Analytical Chemistry Division. The training is being coordinated by the Y-12 Training Department in Bldg. 9704-2.

Three Problems In Contest

The annual contests are sponsored by Carbide in cooperation with the United States Bureau of Mines and consist of three problems in which the teams administer first aid treatment to simulated injuries suffered by accident victims. In past contests the Carbide teams have posted exceptionally high scores in comparison to those of other industrial companies holding similar events.

To the plant represented by the winning team in the contest goes a handsome trophy which must be won two years in succession to become the permanent possession of that plant. At present Y-12 and K-25 each has won the trophy once—Y-12 in 1949 and K-25 in 1950.

Trophies And Cash Awards

The winning team in the event receives \$175, of which \$105 is for being the best team in its respective plant and the additional \$70 for posting the best score. The second team in each plant receives an award of \$52.50 and the best teams in each unit also receive a plaque award of their own.

Super-Cyclotron Said Planned By Europeans

Recent press reports from Europe state that a \$10,000,000 atomic research station, including a super-cyclotron, is being planned by European scientists. The proposed location is on the southern shores of Lake Geneva, Switzerland.

Groups May Enter Contestants in Swim Party For Y-12ers On Next Thursday Night

(Pictures On Page Four)

Just one more week—and one day—until you Y-12ers and friends can turn out in large numbers (it is hoped) for the second swimming party of the season sponsored by the Y-12 Recreation Office. The time and place is 8 o'clock next Thursday night, August 9, at the Oak Ridge swimming pool.

Departmental and divisional groups have been asked by the Recreation Office to plan to enter representatives in various contests to be staged in connection with

the party. Appropriate prizes will be presented to top swimmers, divers, wearers of most comical and unique bathing attire and other events to be held.

The pool will be chartered for the evening for the Y-12 party and all employees, members of their families and friends are invited. It is suggested that various plant groups form parties of their own for the affair.

Admission for the party will be charged merely to defray rental cost of the pool. No advance sale

of tickets will be held and entrance at the gate will be 25 cents for adults and 10 cents for children from six to 16 years of age.

In case of inclement weather—and it will take a lot to force postponement—the swimming party will be held the following week. Y-12ers attending the first of the swimming parties a couple of weeks ago were high in their praise of the event—and have passed the word around. As a result a big crowd of merrymakers are expected to be present next week.

Hamrick, Ivy Nearing Eighth Year In Y-12

Continued from Page 1

Y-12ers and he has been active in handling community campaigns such as the Community Chest and Red Cross throughout the years. **Safety Record Excellent**

Ivy probably is developing a permanent curve in his fingers through his hundreds of thousands of miles of driving various vehicles for Y-12. In the early days of his employment he drove big buses on recruiting drives—rolling them from Kingsport, Tenn., to Little Rock, Ark. Then he began his regular "route" of business driving for the Company. In addition, he commutes to and from Y-12 daily from his home in Knoxville—and during all these years of motor vehicle operation his safety record is unblemished.

The records of continuous service by the pair are, naturally, a source of great pride to them. Likewise, their records and others of good work attendance in Y-12, is a big factor in the efficiency of the plant operations. It is a pretty safe bet that—barring unforeseen dire emergencies—that come August, 1952, the attendance records of Paschal Hamrick and Briscoe Ivy will still be like "Old Man River"—still rolling along.

Filing Cabinet Notice Signs Available At Security Office

Y-12 offices needing new indication signs for filing cabinets may obtain them from the Security Office, Bldg. 9704-2, if they are needed to replace worn out signs or to put on new cabinets containing classified information.

The signs bear the words "open" and "closed" on opposite sides, the "open" being printed in red and "closed" in green. They are shaped to fit in handles of filing cabinets for the convenience of employees using the cabinets so that they can immediately tell whether the cabinet is closed or open.

\$1,000 Given By Red Cross Chapter For Flood Relief

Answering a nation-wide appeal for funds to alleviate suffering and repair damages in the flood-stricken areas of Kansas and Missouri, the Oak Ridge Chapter of the American Red Cross has contributed \$1,000 for this cause.

The action has been announced by George W. Flack, chairman of the Oak Ridge Chapter. He is Assistant Industrial Relations Superintendent in Y-12.

"Allocation of this money for the relief of flood sufferers in Kansas and Missouri will in no way affect the services of the Red Cross in Oak Ridge by the Oak Ridge Chapter," Chairman Flack declared.

If there is anything more than any other that characterizes the average American, it is his eagerness to learn almost anything at almost any age.

A recent Ripley item declared that it is the "strange" custom of the Manbhao tribe of Indians that their only marriage ceremony consists merely of the man surrendering his wallet. So-called civilized folks do make it easier—it may seem—by adding a few soothing words before the capitulation begins.

W. H. Russell, of Research Engineering, and his wife spent last week in Florida. . . . Frank J. Lambert, Jr., had as guests his mother, Mrs. F. J. Lambert, Sr., and his sister, Mrs. R. R. Roberts, of Saratoga Springs, N. Y. . . . Jean Crig and her husband are vacationing in New York, this week. . . . T. C. Swindell and his family are cooling off over at Big Ridge Park this week.

Virginia Smith, of Medical, plans to do some deep sea fishing while vacationing with friends in Panama City, Fla., this week. . . . Paul Posey spent his time off last week resting up at home in Newport, Tenn.

H. P. House, of the Analytical Chemistry Division, and his family spent last week's vacation back home in Indiana. . . . L. J. Brady and his family drove out to Colorado to visit the home folks and seek cooler weather on a two-week vacation. . . . F. E. Jenkins and his wife have found a good way to beat the heat and to keep their small son, Eddie, entertained—with a small 14-inch blue boat named Bumstead. They have fastened a rubber paddle and fish hooks to the boat and send it out into the water, bringing it in by a string. No fish have been caught yet but they have fun trying.

J. V. Ledbetter, of the Guard Department, has returned from a week's vacation. . . . E. M. Hunnicutt and his family made a recent trip home to Greenville, S. C., to see his mother, Mrs. Alma Hunnicutt, who has been in serious condition following a broken hip on July 7. Friends of the family will be glad to hear that she has improved and is resting better now.

Paul Blakely, of the Material Chemistry Division, and his family vacationed last week in Baltimore, Md. . . . R. C. Kelly and his family went back to their home town in Alabama for last week's vacation.

Martha Parks, of Plant Records, is dividing her week's vacation between Memphis, Tenn., and Asheville, N. C. . . . Sympathy is extended to Betty Broome at the death of her grandmother in Spartanburg, S. C.

D. C. Wolfenbarger, of Stores, and his family are spending a

two-week vacation at Gatlinburg and around home in Knoxville. . . . O. M. Kelly has returned from two weeks of vacation . . . and J. H. Sharp has returned from a week's vacation. . . . A speedy recovery is wished for E. D. Seagle, who is in St. Mary's Hospital in Knoxville . . . and for Bart Slover, who is in the hospital in Lake City, following a recent automobile accident. . . . Friends of Eva Russell are glad to hear she is out of the hospital at Bristol, and is recuperating at the home of friends there. . . . Get-well wishes are extended to Barbara Marshall, who is on the sick list.

K. S. Lyle, of Property Sales, and his family are visiting Mrs. Lyle's folks in Maine while on a two-week vacation. . . . John Jenkins and his family are off to Florida for a week's vacation. . . . Sincere sympathy is extended to B. F. Hope at the recent death of his sister, Mrs. Delozier, of Hariman.

Receiving and Shipping sends get-well wishes to H. E. Robbins. . . . J. Paul Snodgrass and his family are touring the state of Florida, for two weeks, making St. Petersburg their headquarters. . . . Lloyd Acres and his family have returned from Indianapolis, Ind., where they spent a week of vacation.

Friends of H. C. McBirney, executive assistant in the Superintendents Department, from throughout Y-12 extend sympathy to him on the recent death of his father out in Boise, Idaho.

Dr. Lloyd P. Smith, a consultant to the ANP Division, from Cornell University, Ithaca, N. Y., is planning a vacation trip out West and on to Honolulu, before reporting back to the university in the fall. . . . Dr. George F. Wislicenus, also a consultant to the division, from Johns Hopkins University, Baltimore, Md., is vacationing in Florida, this summer before returning to the university.

E. C. Long, of Health Physics and Hygiene is vacationing for two weeks at Daytona Beach, Fla., where he plans to do a lot of deep sea fishing, surf fishing, swimming and sunning. . . . Mary Barnes went to Michigan for a week's vacation. . . . Mary Brown's husband is home on leave from the Navy. . . . The department welcomes Geneva Gracey and Art Cardwell to the roster.

The Personnel Department extends get-well wishes to Marguerite Collins. . . . Pat Hamrick is visiting his mother in Georgia, while vacationing. . . . Winnie C. Miller and a group of her friends are taking a two-week vacation tour by

WHICH TWIN IS WHICH and which has the "Toni"? Well, we'll tell you. At left is Esther Moody, the little blonde gal of the Recreation and The Bulletin office, and the other is her twin sister, Mrs. Ethel Cutcher, of Chattanooga. The picture was snapped during their recent vacation trip to Bonita Springs, Fla., which is just about as far down in the Sunshine State as one can get without bumping into Central America.

way of Niagara Falls, N. Y., to Canada.

J. L. Titlow, of Electrical Maintenance, was on vacation last week, it's a safe bet that he went fishing. . . . W. B. Adcock is vacationing this week. . . . and W. P. Smith is spending a two-week vacation in Florida and Cuba.

The Laundry Department and friends of Bessie Martin extend sympathy to her at the recent death of her mother, Mrs. Susan Kidwell, of Monterey, Tenn. . . . Mary Branham is spending a two-week vacation at home in Hariman and in Detroit, Mich. . . . The department welcomes Blanche Seabolt, Lena Fincher, Clarice Janeway, Thelma King and M. B. Sweeden to the roster.

Charlie Harrison, of the Isotope Research and Production Division, spent a recent week's vacation at the Boy Scout Camp at Pellissippi, Tenn.

Dora Bagwell, of Product Chemical, and her family are spending a two-week vacation in Denver, Col. . . . J. P. Wood and his family chose Daytona Beach, Fla., for their two-week vacation. . . . Margaret Carter, Mattie May, Martha Beals, Ann Beals, Rubye Jones

The following Y-12 employees were patients in the Oak Ridge Hospital last week: Claude Pardue and Eugene L. Hill, Field Maintenance; Barton B. Thornton, Manufacturing Office; Harold E. Cornell, Normal Processing; Roscoe B. Carter, Maintenance Shops; William H. Rice, Plant Engineering; and Robert B. Smithson, Product Chemical.

and Mable Stapleton motored to the Smokies last Sunday to see "Unto These Hills." . . . Lucas Nation and the family spent a pleasant Sunday in the Smokies. . . . Also Mary Hickman and her family went to the Smokies last Sunday, trying to escape the heat.

Another vacationer from the Guard Department last week was Capt. D. C. Shults.

Research Engineering extends a hearty welcome to David K. Felbeck, newest member of the group.

C. E. Mathes and Emmett L. Moore, of the Fire Department, and Ben Johnson, of Field Maintenance, bagged 42 frogs on their latest outing. Looks a lot more profitable than fishing these days.

Bill Kelly, of the Tools Department, and her husband, Ralph, are taking in all the interesting points, and the sun, in Florida, while vacationing for two weeks.

Virginia Swanner, of Uranium Control and Computing, spent last week's vacation at her home in Athens, Ala. . . . Elizabeth Wilson attended the Methodist Youth Conference in Lake Junaluska, N. C., while on a two-week vacation.

R. F. Farmer, of the Steam Plant, spent some time in Chattanooga, visiting Lookout Mountain, and Rock City. He also visited his folks in North Carolina, while vacationing last week.

"Arkie" Jamison, of the Analytical Laboratory, and his group, Charles Gurney, Nancy Shobe, Katherine Dalton, Jean Tipton, Ruben Osborne, Bill Hammill and Lodey Butler had a swim party and picnic over at Big Ridge Park on July 24. They all reported a good time and hope to have a repeat performance. . . . Martha Stones has returned from a week of vacation at home in Hariman.

. . . Mary Nell Rawson spent last week's vacation at her home in Marion, Miss. . . . Juanita Moore has Mrs. Josephine Gillum, from Wichita Falls, Tex., visiting in Oak Ridge. . . . Sincere sympathy is extended to Margaret Broome on the death of her grandmother in Spartanburg, S. C. . . . June Davis is still on the sick list and the department wishes her a speedy recovery. . . . Ida Belle Jackson spent a recent week end in the Smokies. . . . Aleene Carpenter is back from a week of vacation. . . . F. E. Clark spent a few days in Georgia, then back to Oak Ridge for a restful vacation. . . . W. R. McIntosh also vacationed at home in Oak Ridge, last week. . . . Word has gotten around that Helen Greeter is wearing a new ring—third finger, left hand. . . . The department welcomes Annie H. Bunch, Lubirda Campbell, Marylin Preston, and Richard Sladky to the roster. . . . Aydean Wester spent a recent two-week vacation in Chicago, Ill.

By the time this edition of The Bulletin hits the newsstands Ye Ed. will be vacationing—starting at Louisville, Ky., and continuing elsewhere. For the duration J. B. Rierdan, conductor of the Carbide Courier of K-25, will direct the destinies of this here sheet—ably assisted by our old standby, Esther Moody, and Joe Smyrl. Take it away, Joe—it's all yours for a couple of weeks.

"Whah am Rastus?"

"In de hospital."

"In de hospital! How come?"

"He cum down a laddah 'bout 10 minutes aftah it was gone."

MRS. MARGARET MARIE HICKEY, FORMERLY MISS MARGARET JOHNSON OF THE Y-12 Product Chemical Department, a recent bride, was honoree at a miscellaneous shower given by friends and fellow employees July 19 by Zola Fonner. Co-hostesses were Wilma Cox, Sylvia Hatmaker, and Thelma Bradshaw. Guests at the affair, pictured above, are, seated from left, Dora Bagwell, Lena Newsome, Mary Hickman and Dovie Searcy. Standing are Zola Fonner, Wilma Cox, Martha Ray, Evelyn Frazier, Natalie Franklin, Ann Gordon, Thelma Bradshaw and the honoree, Mrs. Hickey.

Orphans, 9212 Still In Tie; Drawing Away

Plant League Leaders Win Pair Each; Race Is Nearing Home Stretch

SCHEDULE FOR COMING WEEK
Wednesday, August 1—6 p. m., Bldg. 9211 vs Bldg. 9212. 7:30 p. m., Rusty 9 vs Duds. 9 p. m., Rusty 9 vs Isotopes.
Thursday, August 2—6 p. m., Grocers vs All Stars. 7:30 p. m., Orphans vs Sparks.
Monday, August 6—6 p. m., Bldg. 9212 vs Duds. 7:30 p. m., Isotopes vs Orphans. 9 p. m., Grocers vs 49ers.
Tuesday, August 7—6 p. m., Sparks vs Rusty 9. 7:30 p. m., Bldg. 9211 vs All Stars.

The Orphans and Bldg. 9212 softball teams of the Plant Softball League remained in a deadlock for first place in the loop last week and drew away from the rest of the bunch as the race neared the home stretch. Both of the loop leaders won a pair of games during the week and lost none while the Duds, Sparks and All Stars each were splitting a pair.

The Orphans spanked the Bldg. 9211 team 11 to 8 and the Rusty 9 by 19 to 9. Bldg. 9212 racked up wins over the Sparks in a sizzler by 3 to 2 and then walloped the Grocers by 14 to 6.

Line scores and league standing at the end of last week follows:

LEAGUE STANDING			
Team	W	L	
Orphans	9	1	
9212	9	1	
Duds	6	3	
Sparks	5	4	
All Stars	5	4

Grocers	001	022	1—6
9212: Mustin and Moses. Grocers: Doss and Orazio.			

Hospital Slow Pitch Team Trounces Y-12 By 12 To 8

The Y-12 slow pitch team lost its first game of the second half to the Oak Ridge Hospital, Wednesday, July 25, by the score of 12 to 8. A seven run rally in the third inning by the Medicos brought the Y-12ers under control, where they stayed for the remainder of the game. The Y-12ers play AEC at 6 o'clock tonight, Wednesday, August 1, at Midtown.

Anderson went all the way on the rubber for the Y-12ers with Koons behind the plate.

Line score follows:

Team	R	H	E
Y-12	004	013	0—8
Hospital	107	211	x—12
Y-12: Anderson and Koons. Hospital: Africk and Brown.			

Robins, Florida Regional Champ Lassies At Midtown Tonight

The Y-12 Robins will meet the 1950 Southeastern Regional Champions at the Midtown Park tonight at 8:30 p. m. This game against the R. H. Hall Company Inc. team of St. Petersburg, Fla., will give the Robins a real opportunity to show their ability.

The Florida lassies field a team that won three games out of five in the nation women's softball tournament last year. They lost one of their two games to a team from Buffalo, N. Y., and the other to the Caterpillar Tractor team from Peoria, Ill.

The women's game will be preceded by a clash between the Y-12 men's varsity softballers, the Red Birds, and the Clinton All Stars. An admission of 50 cents for adults and 25 cents for children will be charged.

Both the Robins and the Red Birds have been flying along at a rapid clip of late and deserve the full support of the Y-12 fans at the clash tonight.

Robins Edge K-25 Lassies In Opening City Tournament Tilt; Both Y-12 Softball Teams Close KSA Season With Victories

Men Blank Ga. Tenn. By 10 to 0; Reed's Homer Cops Women's Thriller

The Y-12 teams of the Knoxville Softball Association finished their seasons in a blaze of glory last week when both the men's and women's teams won their final league games Tuesday, July 24. The victory put the men in a fourth place tie with K-25 with a second half record of five and five. The women closed the season in third place with a won-loss record of seven and three.

The Red Birds trounced the Georgia-Tennessee Grocers by the score of 10 to 0. Three-hit pitching by Bobby Loy and errorless ball by the team held the Grocers scoreless. Howard Pratt led the Y-12 hitting with a triple, a double and a single in four times at bat. Emmett Moore had two for three and Charley Pepper had two for four.

The Robins closed with a real thriller, pulling the game out of the fire in the sixth inning with a four-run rally for a 4-to-3 victory over Keck-Davis. Trailing by three runs Helen Brown and Ruby McGinnis each singled. Bonnie Roberts gained first base on an error. Then with the bases loaded and one out Juanita Reed drove a long fly to the fence for a home run. Helen Aikman was the winning pitcher, allowing only four hits and giving up two walks.

Line scores follow:

Team	R	H	E
Georgia Tenn.	000	000	0—0
Y-12 Red Birds	020	521	x—10
Georgia Tenn.: Johnson and Smith. Y-12: Loy and Hale.			

Keck-Davis	000	210	0—3
Y-12 Robins	000	210	0—4
Keck-Davis: Witzel and Clarke. Y-12: Aikman and Roberts.			

Eight-Team Bowling League For Women Of Y-12 Desired

With the bowling season not too far off, the Y-12 Recreation Office hopes to form a plant league of eight teams to operate during the coming season. Before the league can be formed it will be necessary that eight teams be organized for the league with assurance that all will complete the season.

Last year a women's league of six teams rolled throughout the season, but unless eight teams can be obtained for the circuit it will not be possible to form a women's league this season.

Therefore the Recreation Office urges all women bowlers to get busy and organize teams for the coming season if they wish to participate in league play. An early announcement of an organizational meeting will be made in the near future.

Bowling Teams Of Y-12 Suffer Losses In League

The Activators and the Gophers, two of the three Y-12 entries in the Summer Bowling League, each won one point while losing three to their opponents last week. The Activators lost to the K-25 All Stars, while the Gophers lost three to the Slivers. The Y-12 All Stars lost four to the Nuggets.

Y-12 SPORTS NEWS

THE Y-12 RED BIRDS, MEN'S VARSITY SOFTBALL TEAM, that has established a swell record this season, is pictured above. Front row, from left, Roy Hale, L. C. Martin, Bobby Loy, Emmett Moore, Howard Pratt, Bill Wright and Buzz Warren. In the rear are Glenn Roberts, Batboy Lefty Herman, L. A. Walton, W. E. Blevens, Charley Pepper, Jack McLendon, Ed Sise, Coach Harold Babb and Manager Roy Roberts. The youngster in Loy's lap is his son and team mascot.

Qualifying For Annual Y-12 Match Play Golf Tournament Opens; Finals Aug 26

Qualifying rounds for the annual Y-12 match play golf tournament will get under way today, Wednesday, August 1. All golfers in the Y-12 plant area are eligible to enter the tournament and submit a qualifying over 18 holes for flight designation. A championship flight and as many more as are necessary will be set up for the tournament.

Qualifying rounds may be played through Thursday, August 9 and match play will begin in the various flights on Sunday, August 12. The second round of matches will be played on Sunday, August 19 and the finals must be completed on or before Sunday, August 26.

Trophies will be awarded winners in all flights and to the tournament medalist.

This tournament should produce some of the best golf of the summer at the Oak Ridge Golf and Country Club as many of the leading players in the city are Y-12ers. W. M. Reynolds won the championship flight last year but with such players as Door, Shugart, Cater and others competing, it will be a good tip to spectators who enjoy golf to turn out for some of the matches.

Turf Riders Ahead In Y-12 Golf League

The Y-12 Plant Golf League completed its sixth week of play last week with the league leading Turf Riders being pressed by the Four Woods and the Four Hundreds.

In the week's play the Four Hundreds defeated the Divots 13 to 23; the Hooks defeated the Four Woods 11½ to 24½; the Deacons won over the Rough Riders 16½ to 19½ and the Rippers took the Green Roys 14 to 22. The Turf Riders and the Birdies were idle last week.

League standing follows:

Team	W	L
Turf Riders	5	1
Four Woods	4½	1½
Four Hundreds	4	2
Hooks	3½	2½

Cards Cop Couple In Knox-Ridge Loop With Timely Blows

The Y-12 Cardinals had a big week last week when they won two Knox-Ridge League games at Gamble Valley. The Y-12ers beat the Chapman for the first time this year by a close 3 to 2 score, and then went on to trounce Rockford by 7 to 4 in their second engagement of the week.

The Y-12-Chapman game went to the wire with the score two and two going into the seventh. With two out in the last half of the seventh Garrett singled, Wright doubled and with two runners on base Wiley got his third hit, a single to center field to score the winning run.

Carter hurled for Y-12, allowing only three hits, striking out four and walking one.

In the second game of the week, played Thursday against Rockford, the Y-12ers gathered their winning runs during a five-run rally in the sixth inning. Ed Hawkins hurled for the Cards, giving three hits, two walks and striking out eight. Walt Simmons and Hawkins led the hitting, Simmons getting two for two and Hawkins collecting two for three.

Line score follows:

Team	R	H	E
Chapman	011	000	0—2
Y-12	200	000	1—3
Chapman: Donaldson and Blackstock. Y-12: Carter and Weigelt.			
Rockford	001	201	0—4
Y-12	002	005	x—7
Rockford: Gilbert and Wells. Y-12: Hawkins and Weigelt.

Single Runs In Fourth And Fifth Innings Give Y-12ers First Victory

The Y-12 Robins edged the K-25 Blue Belles in a closely contested game Friday, July 27, at the Midtown diamond. The Y-12 team managed to bring home two runs against one by the K-25 team. The teams were to meet again Monday, July 30.

The Y-12ers scored one run in the fourth and one in the fifth to gather their winning margin. The Belles threatened in the sixth but cooled after scoring one run.

Helen Aikman went all the way for the Y-12ers allowing six hits. Bonnie Roberts did the receiving to complete the battery.

Birds Play Thursday Night

Meanwhile the Y-12 Red Birds will be primed for their first contest in the men's double elimination tournament, which will open next Tuesday night, August 7. The Red Birds drew a bye in the first round and will not see action until 8 o'clock next Thursday night, August 9.

In this initial tournament tilt the Red Birds will play the winner of the K-25, Oak Ridge National Laboratory game that will open the tourney. After these games the losers of the first two games will play Saturday night, August 11. The winner of the game between the Y-12 Red Birds and the first game victor will meet the triumphant team of the Saturday game in a game set for Monday night, August 13. If another game is needed to decide the championship it will be played Wednesday night, August 15.

Chattanooga Dates Set

The winners of the men's tournament and the women's series will represent Oak Ridge in the state tournament to be held in Chattanooga. The women's state meet will be held Friday, Saturday and Sunday, August 10, 11 and 12 and the men will play the following week end, August 17, 18 and 19.

Line score of the game last Friday night follows:

Team	R	H	E
K-25	000	001	0—1
Y-12	000	110	x—2

Red Birds Edge All Stars Of Clinton By 3-1 Score

The Y-12 Red Birds traveled over to Clinton last Wednesday night to win a 3 to 1 decision over the All Stars of the host city in a well-played hassle. Pratt's double in the first sent a pair of Birds home to roost and the outfielder star later scored the third run of the round and the last of the game. Seivers, Clinton catcher, hit a homer for his team's only tally in the second. Ed Sise and Bobby Loy shared pitching honors and allowed but two hits. Y-12 could get but three off March.

Score by innings:

Team	R	H	E
Y-12	300	000	0—3
Clinton	010	000	0—1
Sise, Loy and Hale. March and Riggs, Seivers.

**Newcomers Take Over
Lead In Attendance**

Three newcomers advanced to the top of the attendance standings in the Major League for the week ending July 22, when the overall plant absenteeism record was 2.6 per cent, the same as for the preceding week.

Assay Laboratory Leads

The Assay Laboratory took over first place with an absentee mark of .6 per cent. In second place was Maintenance Shops with 1.2 per cent of its personnel absent. Third place was held by Product Processing with an absentee record of 1.42 per cent. These departments were in fifth, seventh and sixth places for the week ending July 15.

Six Minor League departments had all present marks during the latest reporting period. Four were repeaters from the week ending July 15. They were Steam Plant, Superintendents, Fire Department and Property Sales. The Medical Department and Health Physics and Hygiene advanced from third and fifth places to report perfect attendance records for the week ending July 22.

Cafeteria Takes Second

Second place in the Minor League went to Cafeteria and Canteens with only .4 per cent of its personnel absent and Uranium Control and Computing took over third place with an absentee mark of .5 per cent.

The Y-12 plant-wide absentee record for the week ending July 22, by departments, follows:

MAJOR LEAGUE More Than 50 Employees Scheduled				
Dept.	Percentage Absent	7-22-51	7-15-51	Standing
2283	0.6	1	5	
2003	1.2	2	7	
2617	1.42	3	6	
2014	1.43	4	12	
2282	1.49	5	4	
2015	1.52	6	9	
2018	1.6	7	2	
2077	1.8	8	1	
2619	1.9	9	3	
2060	2.7	10	8	
2091	2.79	11	10	
2142	2.82	12	11	
2618	4.6	13	13	
2001	9.3	14	14	

Group absentee percentage was 2.4 per cent, .2 per cent lower than the preceding week.

MINOR LEAGUE 15-49 Employees Scheduled				
Dept.	Percentage Absent	7-22-51	7-15-51	Standing
2743	0.0	1	1	
2200	0.0	1	1	
2093	0.0	1	1	
2145	0.0	1	1	
2090	0.0	1	3	
2108	0.0	1	5	
2107	0.4	2	1	
2739	0.7	3	7	
2002	1.7	4	1	
2616	3.5	5	12	
2008	4.08	6	11	
2096	4.14	7	8	
2109	5.3	8	6	
2144	5.7	9	9	
2143	5.8	10	10	
2133	6.3	11	2	
2005	6.4	12	13	
2046	7.3	13	4	
2064	10.4	14	14	

Group absentee percentage was 3.2 per cent, .5 per cent higher than the preceding week.

The plant average for the week ending July 22, 1951, was 2.6 per cent, remaining the same as the preceding week.

**Tennis Team Of Y-12 Seeks
Victory Over K-25 Netters**

The Y-12 men netters will attempt to win their first victory of the second half of the Oak Ridge League season tomorrow, Thursday, August 2, after losing to AECEA and ORNL in their last two outings by scores of 4 to 3 each time.

The Y-12ers won three singles matches against the AEC netters with Nate Smith defeating Brothers 6-1, 6-1; Al Hodges taking Cromer 6-4, 5-7, 7-5; and Fred Hurst beating George Lee 6-3, 6-2.

Against the National Laboratory Smith won over Silverman 7-9, 6-1, 6-1; and Hodges defeated Towns 4-6, 6-0, 6-2. The Y-12 gained their third point in a doubles match through default.

**Y-12 And TVA Golf Teams
Will Meet In League Match**

The next Smoky Mountain League golf match for the loop-leading Y-12 team will be staged at 9 o'clock next Sunday morning, August 5, at the Whittle Springs Municipal Golf Course in Knoxville. The TVA team will provide the opposition. A schedule league engagement with Alcoa, originally set for last Sunday, was postponed by the Alcoa team.

League standing follows:

Team	W	L
Y-12	4	0
Standard Mills	4	1
K-25	3	2
Rohm-Haas	3	2
Sears-Roebuck	2	3
ORNL	2	3
TVA	1	4
Alcoa	0	4

**Y-12 Women Netters Split
With Lassies From K-25**

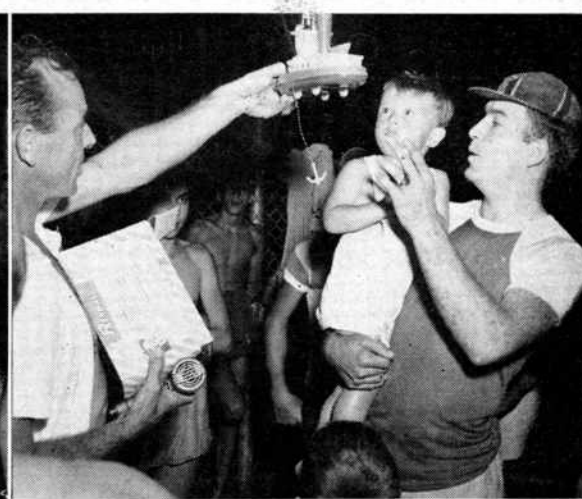

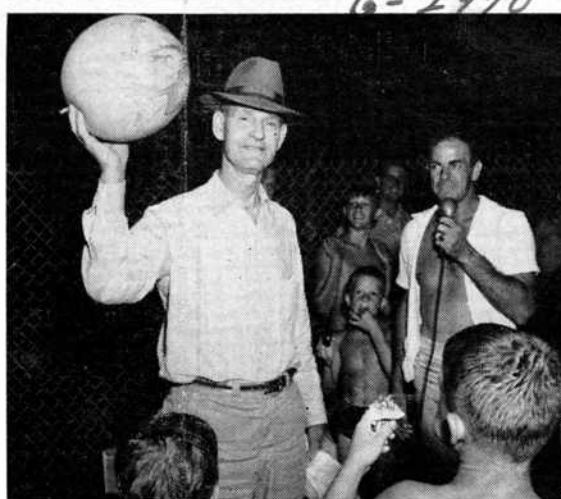

The Y-12 women's Tennis team won three singles matches Monday, July 23, to gain a tie with the K-25 team. Winning one singles match and two doubles, the K-25ers gathered their points to cause the 3 and 3 deadlock.

In the singles matches Joan Gilliam defeated Trammel 6-4, 6-3; Elizabeth Patrick downed Fox 8-6, 4-6, 6-4, and Mary Freestone gained the third point in defeating Gilbert 6-1, 6-4.

The Y-12ers were scheduled to meet the ORNL team in their next match Monday of this week.

league at 7 o'clock next Monday night, August 6, at the Jefferson Recreation Hall.

League organization is expected to be perfected at this meeting and preference league membership will be given teams represented at the meeting.

THESE PICTURES SHOW HOW Y-12ERS AND GUESTS ENJOYED THE FIRST PLANT-wide swimming party, all of whom probably will be back for the second party on Thursday night of next week. In the top two pictures the Smiths hogged the awards for oldest and youngest guests present. At left John Smith, 71, a visitor at the home of his grandson, Clyde Smith, of Field Maintenance, won a beach ball for being the oldest. Arnold Tiller, right rear with microphone, Y-12 Supervisor of Recreation, was master of ceremonies. At right, young Harold Smith, 29-months-old son of Harold B. Smith, of Buildings and Grounds, is being held by his cousin Clyde Smith as Tiller presents the youngest guest with a toy boat. At left in the lower strip is a bunch of youngsters enjoying themselves. Try and get a gang like this to stay put long enough to get their names. At right Pete Preston and Joe Ryan, lifeguards at the pool, give an exhibition of comic diving that drew a lot of laughs from the crowd.

**Camera Club Picks
Knoxville For Outing
On Sunday, Aug. 5**

An all-day outing and picnic and picture snapping session has been planned by the Carbide Camera Club for next Sunday, August 5, in Knoxville, officers of the organization have announced.

The club is composed of amateur photographic enthusiasts from all of the Carbide units in Oak Ridge and now has a membership of more than 60 persons.

Will Meet At University

Plans call for members to meet at 10 o'clock Sunday morning in front of the administration building of the University of Tennessee. The photographers will then be given an opportunity to make pictures of the many attractive architectural targets in the university grounds.

The group then will move to the bridge over Fort Loudon Lake on the Knoxville-Alcoa Highway near the University agriculture building to continue picture making.

Park Selected For Lunch

The picnic luncheon will be consumed either in Tyson Park or Chilhowee Park in Knoxville.

Pictures made on the outing will be displayed in either black and white or color slides in the September meeting of the club, scheduled for Tuesday night, September 11.

**ORINS Scientist To Speak
At Physics Seminar Meet**

W. E. Kunz, of the Oak Ridge Institute of Nuclear Studies and the Oak Ridge National Laboratory physics division, will speak at the weekly meeting of the Oak Ridge Physics Seminar on Friday of this week, August 3. The meeting will be held in the East Lounge of the Ridge Recreation Hall. The topic will be "Investigation of the Nuclear Reactions Produced by Bombardment of Deuterium by H³ and Tritium." Y-12 scientific and technical personnel interested in the subject are invited to attend the meeting.

**Golfers Will Try To Catch
ORNL Team In Sunday Tilt**

Trailing by 24 points but hoping to overtake Oak Ridge National Laboratory divot diggers, the Y-12 varsity golf team will engage in the second Oak Ridge inter-company match of the year next Sunday at the local course. The ORNL team came out on top in the first of the three summer matches by a slim margin over the Y-12ers.

Teams participating in the inter-company matches are Y-12, ORNL, K-25, Roane - Anderson, Atomic Energy Commission and Business and Professional Men. The third and final engagement will be staged Sunday, September 23.

tained under security. He said that security regulations have been tightened to a point where there now is little likelihood of a recurrence of a Fuchs or Greenglass case. He also assured the clubmen that a constant guard would be kept at the Savannah River Plant to keep down possibility of attack by hostile airplanes.

**Symphony Orchestra
Seeking Members;
Y-12ers Are Invited**

A hearty invitation to all Y-12ers especially new employees, who would like to try out for membership in the Oak Ridge Symphony Orchestra has been issued by Director Waldo Cohn, of the Oak Ridge National Laboratory Biology Division, stationed in Y-12. Membership losses have been high this summer, it was announced, and new talent is needed in the organization, particularly in the string section. However, anyone with some experience in woodwinds, brass or percussion instruments is urged to report for the first autumn rehearsals to be held the first Wednesday in September in the music room of the new high school building.

The orchestra is about to embark in its eighth season and there are only 10 charter members remaining. They are Mrs. Jacinta Howard, wife of a Y-12er; Paul Arow, Ray Blanco, Alice Lyman, Calvin Moore, Ralph Overman, Herbert Pomerance, Meyer Silverman, Dorothy Silverman and Dr. Cohn. During the past season several Y-12ers and members of their family performed with the orchestra, including Larry Lavers, Harry Bainbridge, Mrs. Clarence Schuske, Frances DiCarlo, Margaret Ross, Daniel Sachs and Joan Luce.

Anyone wishing to try out for the orchestra is asked to communicate with Dr. Cohn, Bldg. 9707, plant telephone 7504, or home telephone 5-2068.
